# What brides like you are saying

**Kelly T.**

"Abigail did my makeup for my wedding and did such an amazing job on myself and all of my bridesmaids! I don't think I've ever had someone do my makeup without wanting to change at least one thing but Abi killed it and I loved it all! She made me feel so beautiful ."

**Mariah H.**

"Abigail did my make up for my wedding in May and let me tell you, she professional, amazing at her job, and makes sure you're absolutely satisfied before you get out of her chair. She worked in such a timely manner and did 10+ girls make up on my day. Highly recommend her!"

**Sarah-Catherine M.**

"You were absolutely amazing, Abigail . I must say, your makeup withstood an unannounced monsoon, and I still felt glamorous after being drenched! If that's not "lasting wear" then I don't know what is . Thank you again and again for making my bridesmaids, both moms, and I look and feel like stars. Your talent is out of this world. "

*Thank You*
